

Dear Sir/Madame,

My name is Olivia. I'm in fourth grade and I love animals so much! I believe my love for animals came from visiting your zoo when I was little. In fact, I love animals so much that I've decided that I will be a vet when I grow up. When I found out that your zoo needed funding I decided to make lemonade stand and give the proceeds to your zoo. Enclosed is a check for \$10.00 from my lemonade stand. I hope my donation helps with the care of The Connecticut Beardsley Zoo.

Sincerely,

Olivia
