

# The 'Who am I' Scavenger Hunt

Search for the animals that match the description given. Once you find the animal, write its name on the line below the clue and check and check it off your list. When you are done answering all the clues, you win!

- I can usually be found "struttin' my stuff" around the Zoo in the spring and summer months. I roam around the Zoo grounds and do not have an exhibit.

I am \_\_\_\_\_

- I live in northern Connecticut but few people see me in the wild I climb trees, stay very still and I am dark brown in color. I protect myself with special hairs called quills.

I am \_\_\_\_\_

- I am a reptile that can only be seen out in my exhibit when the weather is warm. I have a lot of teeth, a long tail and you will find my relatives in the Florida wetlands.

I am \_\_\_\_\_

- One of us may be found standing watch in our exhibit while the others feed, play or bask in the sun. When we sense danger one of us will give a quick bark and we will all scurry into our holes in the ground.

I am \_\_\_\_\_

- I am the largest in the cat family. My stripes help me hide in grasses.

I am \_\_\_\_\_

- I share my exhibit with other animals. I am the fastest land mammal in North America and I shed my horns each year in the fall.

I am \_\_\_\_\_
