Reciprocal Zoos and Aquariums

Reciprocity at other zoos generally applies to main entrance fees and does not include extra exhibit charges, parking fees or concession discounts. Each facility defines a family differently. Those with an * offer a discounted admission price, not free admission. Facilities will require a valid membership card and matching photo I.D. at ticketing windows.

We print our list once a year and we cannot be responsible for any facility changes during the year. We recommend you call the facility you wish to visit prior to visiting. (Revised Summer 2018)

Connecticut's Beardsley Zoo is owned and operated by the Connecticut Zoological Society, a 501(c)3 non-profit organization dedicated to conservation, education and recreation and is an accredited member of the Association of Zoos & Aquariums.
