# ABOUT

On Monday, September 21, 2020 Connecticut's Beardsley Zoo will host its Golf Tournament at the exclusive Brooklawn Country Club in Fairfield, CT.

Formed in 1895, Brooklawn was redesigned by A. W. Tillinghast, one of history's premier golf architects who also designed Winged Foot Golf Club and Baltusrol Golf Club. Brooklawn's sloping greens provide the biggest challenge; off the tee, accuracy is more important than distance.

This year's tournament will feature tee times and food on the course for a socially-distanced day outside!

So bring your "A" game and have a ball!
