# Reciprocal Zoos and Aquariums

Reciprocity at other Zoos and Aquariums generally applies to main entrance, general admission fees, and does not include extra exhibit charges, parking fees, food or concession discounts. Most Zoos and Aquariums are now offering a 50% discount off admission, not free admission. Each facility defines a family differently and some have specific limits. You will need to show a current membership card and matching photo I.D. to receive reciprocity. Sorry, other Zoos and Aquariums do not have a way to look up your membership when you visit. We print our list once a year, usually around January and we cannot be responsible for any facility changes during the year. **Always Call Ahead.**

**Due to the COVID-19 restrictions,** it is at the discretion of the participating zoos and aquariums as to whether they will be able to honor entrance benefits during this time.

Connecticut's Beardsley Zoo is owned and operated by the Connecticut Zoological Society, a 501(c)3 non-profit organization dedicated to animal conservation, education, research, and recreation and is an accredited member of the Association of Zoos and Aquariums.
