beardsleyzoo.org
facebook.com/connecticutsbeardsleyzoo

Connecticut's Beardsley Zoo is dedicated to acquainting a diverse public to the delicate balance that exists between living things and their environment.

Amur Leopard Cubs (born in January)
Mexican Grey Wolves (brothers arrived in February)
Spider Monkeys (June)
Spur Thighed Tortoises (Summer)
DEAR ZOO SUPPORTER...

When our Zoo was established in 1922, it was a novel experience for people to see, hear, and even smell the animals that were collected here. We provided an educational opportunity for people to understand the world in a way that was largely invisible to them at that time in history.

This still is true today, although in a different way. When so many of even our youngest guests appear to have the world at their fingertips through computers and smart phones, it’s vitally important to present them with ways to get face-to-face with wildlife. More than ever before, we need young people to learn first-hand about nature and the critical need to protect our natural resources: animals, plants, water, air and soil.

Our goal here at the Zoo is to instill a sense of wonder for the wild world, engage guests of all ages with the beauty and power of the animals in our collection, and encourage all of us to do our part to protect the lives of endangered species and endangered places.

Our focus on education, conservation, recreation and animal welfare is supported by the generosity of many community members and partners. We are grateful for the financial contributions, sponsorships, time devoted by our volunteers, corporate giveback days, in-kind donations, and all the ways individuals, businesses and organizations interact with us.

As Connecticut’s only Zoo, and as an accredited member of the Association of Zoos and Aquariums (AZA), we take our role as stewards of wildlife seriously. With nearly 300,000 guests each year, we know we’re reaching into the hearts of people in the region, and from around the country. We each have an opportunity—and a responsibility—to carry the heart of the wild world into our little corner of it.

Above all, we want to bring the heart of the wild world to you.

Warm regards,

Gregg Dancho
Zoo Director

Sean Michael Green
Board President

OUR ANIMALS AND EVENTS 2019

We are Home to More than 300 Animal Species

Our community continues to visit us in record numbers to see our more than 300 species, representing primarily North and South American species, and some Asian species. Guests love our Amur tigers, Amur leopards, Brazilian ocelot, and golden lion tamarin. This year, our special celebrations included:

- Hand-raised two Amur leopard cubs born at the Zoo, including one of only two melanistic Amur leopards in the United States
- Welcomed two new Mexican grey wolves
- Welcomed two new spider monkeys
- Welcomed a new white-naped crane
- The birth of two endangered spotted turtles (Clemmys guttata)

Our Events

In addition, we:

- Began the re-imagination of the Farmyard
- Celebrated the grand opening of the spider monkey habitat
- Raised funds with our golf tournament
- Continued our “wildly” popular Wild Wine, Beer and Food Safari
- Held our second annual Endangered Species Gala
- Held our first “Photography Goes Wild” contest
- Welcomed two new Mexican grey wolves
- Welcomed two new Mexican grey wolves
- Welcomed two new Mexican grey wolves
**EDUCATION 2019**

*Our Education Program Shares the Wild World*

Our fully-staffed Education Department reaches beyond the gates of the Zoo to bring curiosity, wonder, and knowledge to people of all ages. Programs are targeted to students and teachers, parents and children, scout groups, libraries, senior citizens, and children from 18 months to 18 years. The ZooMobile travels around the state with Animal Ambassadors to share our mission of conservation, education and species protection with everyone from students to seniors.

All of our school programs comply with and satisfy Next Generation Science Standards (NGSS). We are honored to partner with the following organizations:

- The Bruce Museum
- The Connecticut Department of Education
- The Discovery Museum
- The City of Bridgeport Schools
- Discovery Magnet School
- Bridge Academy
- Park City Prep Charter School
- Fairchild Wheeler Biotechnology and Agri-science Multidistrict Magnet School
- Fairfield University
- Future Frogmen (aquatic education organization)
- The Greenwich Land Trust
- The Maritime Aquarium
- Sacred Heart University
- The University of Connecticut
- Yale University’s Peabody Museum of Natural History

Some of our notable educational accomplishments include:

- Top Honors Recipient of the AZA International Education Award for our Conservation Discovery Corps (CDC) teen program
- 6.4 million people were educated through our media education programming
- 133,975 people were educated through our community outreach programming
- More than 62,000 guests enjoyed programs delivered by our teen educators
- 7,034 guests enjoyed our “Wild Adventure: Saving Animals from Extinction” show
- National recognition for our pioneering FrogWatch USA Citizen Science Chapter partnership with Yale University’s Peabody Museum of Natural History and The Maritime Aquarium

Our broad audience includes teachers, students, scout groups and families. We provide opportunities for environmental stewardship, conservation education, resource management and a sustainable future. Come join us!

**SPECIAL EVENTS 2019**

We raised over $139,000 at our annual Wild Wine Safari in June, which was attended by more than 1,200 guests. A special thanks to all of our generous food, wine and beer vendors for donating their time and delicacies for our guests to enjoy.

This year’s golf tournament was another success, with 18 foursomes and a net profit close to $48,000. Thank you to our tee-ri-fic Golf Chair, Dr. Stu Zarich.

*Spur-thighed tortoises joined us for the summer and delighted guests who watched them enjoy watermelon and lettuce in front of the Victorian Greenhouse.*

The popular Critter Chats also provided fun all summer long, with our Education staff and Ambassador animals appearing in small group events.

Family favorite Chris Rowlands joined us again for several performances to present his interactive shows that include music, dance, puppets and colorful props.

Congratulations to the Dabbing Unicorn, Mrs. Dancho’s 5th Grade Art Class, from Calf Pen Meadow Elementary School, our winner of Best in Show Scarecrow in our annual competition.

Boo at the Zoo was a fun day with children and adults in Halloween costumes, enjoying a fall day outside.

*Our second annual Endangered Species Gala brought us $112,400 from nearly 200 delighted guests. We are grateful to our Chair, Kathleen A. MacGhee, and Committee members: Bernadette Baldino, Gail Craig, Lisa Croce, Cathy Glennon, Claudette Kunkes, Donna Rosenbloom, and Michelle Walker. Special thanks to our speaker, Richard E. Hyman and Master of Ceremonies, Evan Kaufman.*

Breakfast with Frosty and Friends in December was a holiday hit, with families and children enjoying visits with Santa Claus, Mrs. Claus, Frosty and other costumed characters at a delicious breakfast.
Our Exceptional Partners

Connecticut’s Beardsley Zoo is grateful to all who donated this year. Your support provides the funds to care for all of our animals, assist in conservation projects both locally and around the world, and continue to educate the conservation leaders for our future.

The Zoo’s fundraising efforts to create a new habitat for its family of Amur tigers received a huge boost with a $1,000,000 pledge from longtime Zoo supporter, Pamela Hope Kochiss Werth. After the 2017 birth of two extremely endangered Amur tiger cubs, the Zoo began a campaign to create a new, more spacious tiger habitat. Pam Hope Kochiss Werth’s long history of giving to the Zoo is deeply appreciated.

In addition to financial support, we have many corporate, civic, school, special needs and church groups contribute service hours at the Zoo, including one-day visits from Unilever, Diageo, Tracey Locke, Cooper Surgical and Perkin Elmer.

The Connecticut Zoological Society, a 501(c)(3) non-profit organization, gratefully acknowledges the support we received from January 1, 2019 through December 31, 2019. Every effort was made to include all supporters who gave gifts of $100 or more. We apologize if we have inadvertently omitted your name or organization.

To see your name here next year, please contact Jessica Summers, Director of Development and Marketing, at jsummers@beardsleyzoo.org or 203-394-6573 to discuss your support.

We make every effort to ensure the accuracy of our donor lists. If you find an error or omission, please contact us at 203-394-6573. The Connecticut Zoological Society is a 501 (c) (3) non-profit organization dedicated to fundraising and to encouraging community support of Connecticut’s Beardsley Zoo.
Our Zoo Friends, Gardeners and Docents as well as interns and service groups contribute substantially to the beauty of our grounds and the programming we can offer. We couldn’t do it without them!

Many thanks to over a hundred volunteers of all ages who contributed more than 8,900 volunteer hours during the past year, helping augment our staff in dozens of ways. The adult volunteers participate in events on and off Zoo grounds, assist in education programs, interact with guests at the habitats, work in the gardens and Victorian Greenhouse, and engage in special projects. They participate in 43 distinct activities in 60 different locations!

The Zoo had 41 student interns who worked throughout the year in Education, Animal Care, Conservation, Horticulture, Volunteer Office and Marketing, contributing 8,153 hours.

We thank our many corporate, civic, school, special needs and church groups who contribute service hours at the Zoo—a total of 2,100 hours this year. We are grateful to Unilever, Diageo, Tracey Locke, Cooper Surgical and Perkin Elmer. Also thanks to Easton Community Center, Sterling House, Bridgeport International Academy, Newtown High School and many others.

Connecticut’s Beardsley Zoo is a dynamic cultural anchor for the state and the region, educating, inspiring and sharing nature and wildlife with schools and families year-round. Every dollar spent at the Zoo goes directly back into making the Zoo a better place. Animal welfare and enrichment remains our top priority, along with our missions of conservation, education, research and guest experience.
RENTALS: The Zoo may be rented for weddings, corporate events, birthday parties, and other special events. Call 203-394-5533 to learn about having your event at the Zoo.

MEMBERSHIP

Membership dollars support our mission of providing education, conservation, research and recreation activities and programs.

Total membership revenue was $339,780. This valuable support was contributed by 2,264 members, who enjoyed unlimited free admission, free or discounted admission to more than 170 reciprocal zoos and aquariums, discounts in our gift shop and on programs, invitations to members-only events, a VIP line at our entrance, and the knowledge that they made a substantial contribution to Zoo operations.

Enhanced memberships included:
