Connecticut's Beardsley Zoo is a non-profit organization and does offer group rate admission fees Mondays through Fridays, to schools, camps, and other non-profit organizations with 10 or more paying people, that book in advance, pay in advance, and enter the Zoo as a group, all at once, not as individual arrivals. All bookings will show a \$14.95 handling fee. Groups must check this box and add it to their reservation at time of booking, otherwise the reservation will not be processed.

Group rates are not for use by private families. These group visits are considered field trips and they are self-guided. Food, rides, show tickets, popsicles, ice cream, wind tunnel, gift shop souvenirs and appliance rentals are extra cost items. Field trips do not include storage, transportation, or private use of any Zoo area.

ADD ON WILD ADVENTURE SHOW TICKETS (WAS)

Our live, outdoor animal show is offered only during the school year, mid-Sept to mid-June, on Tuesdays, Wednesdays, Thursdays & Fridays only. There is one show at 11 am and currently limited to 200 guests. Shows are 30 minutes in length. Reservations and advance payment must be made at time of booking. Everyone pays and needs a special wristband ahead of time to attend this show including free chaperones, teachers, toddlers, siblings, and parents arriving separately. **The add-on cost for the WAS is \$5 per person.** Note: When booking, the number of WAS show tickets must be equal to the total number of admission tickets. This show takes place outdoors and will present under "shine" only.

LUNCHES

You are always welcome to bring in your own lunches; however, we do not have an indoor area to store lunches.

- Please do not ask the Carousel staff to store your lunches; they are not permitted to do so.
- You can have each child carry their own lunch or you can bring coolers and wagons and leave them off to the side in our outdoor picnic grove. We do not reserve tables. We offer complimentary pull carts near the Welcome Center that can be borrowed to transport the lunches to the picnic grove. Groups are asked to return the carts to the same place so that other groups arriving afterwards may use them.
- Please do not leave paper bag or plastic wrap lunches unattended, anywhere, at all. We have no control over ants, squirrel's, guinea fowls, etc., who will chew right through paper bags.
- Please do not leave your lunches on the bus. Buses and cars get very hot, very fast and food will spoil unless packed in coolers.
- Please finalize your lunch plans prior to arriving at the Zoo. Sorry, Zoo greeters cannot stop to answer lunch questions.

SEATING

Groups are asked to eat outside in the picnic grove as indoor seating is very limited inside the Café. All groups are responsible for cleaning up after themselves and for our animal's safety; we ask for everyone's help in picking up all juice box plastic straw wrappers.

WHEN TO BOOK & PAYMENT

Groups should book as soon as they have a date in mind. Please do NOT wait until the cutoff time to book. Dates are very popular and fill up quickly. Most groups book a year in advance to get the date they want.

Arrival times are booked in 15-minute intervals and there is a limit as to how many groups can book in at each time slot. Please note the Zoo arrival time you book is the time your group plans to arrive here at the Zoo, which is different than the time your bus company is scheduled to pick you up at your facility.

Groups requesting group rates must book online, no later than 2.2 weeks out, and full payment is required at time of booking. Groups will need to add on carousel tickets, lunches, souvenirs, and tickets to the Wild Adventure Show (WAS) at time of booking. The \$10 group rate is only available at time of booking.

Please remember to include ALL students, siblings, teachers, aides, paras, nurses, administrators, chaperones, parents, staff, adults, youth CITs, youth LITs and camp counselors aged 18 and over.

Once groups book and pay online, they cannot make any changes to that reservation. Groups should consider adding a few extra admissions to cover their last-minute add-on guests.

If groups book the Wild Adventure Show, show tickets must be equal to the total number of admission tickets. Please do not send anyone to pay at the ticket windows. Group rates are not available at the ticket windows. Guests not included in your booking will have to go online to our website where tickets are \$19 each, and they do not include the wristbands needed to attend the show. To avoid awkward moments for guests and keep the arrival process running smoothly, please collect all money ahead of time, and add all guests to your booking.

Payment

Full payment is required at time of booking with any credit card, personal or business, pre-paid gift cards and debit cards with a Mastercard or Visa logo. All groups must be pre-paid, and all groups must be wearing their wristbands before disembarking their buses, vans, or cars. All bookings will show a \$14.95 handling fee. Groups must check this box and add it to their reservation at time of booking, otherwise the reservation will not be processed.

We do not issue refunds, credits, or substitutions for any aspect of Group Sales including, but not limited to: admission; show tickets; carousel rides; food orders; popsicles; or souvenirs.

If groups need to postpone their visit, they must contact Group Sales by text, prior to their arrival time, and groups must follow up with an email to Group Sales requesting to be rescheduled into a new date.

After payment is processed

Just a reminder that our new, online booking system is not "inter-active." Once groups book and pay online, they cannot go back and access that reservation or make any changes to that reservation. Groups should finalize their attendance numbers and include all add-on selections before they book and pay.

After payment is made, we will mail out a wristband packet by US PRIORITY MAIL with a Tracking # number to the address of the school, camp or non-profit group. The wristband packet will also contain a day of arrival, orange, check-in pass to present to the greeter(s) along with bus/van driver information sheet(s) to give to the drivers when they first arrive to pick your group up at your group facility, which will allow the drivers time to read the info while the groups load the bus(s) or van(s).

BEFORE YOU COME TO THE ZOO

Please review all information carefully, which should answer most questions you may have.

Please finalize your lunch plans prior to arriving. Sorry, Zoo greeters cannot stop to answer questions at group arrival time. If you have additional questions not covered, please email Group Sales directly and remember to allow enough time for a reply, especially during the busy Spring and Summer seasons.

Please note the Zoo arrival time you listed on your booking.

Please allow time for traffic delays. We suggest groups Map Quest or Google their travel directions to the Zoo just in case their drivers get lost. Groups that are delayed should use the text number on the orange check-in pass to let us know they are running late.

Wristbands: Groups receiving group rates agree to have all guests in their group wearing their wristbands prior to disembarking their vehicles including “free” adults and chaperones driving separately. Groups who do not have their wristbands on will be directed by the greeters to stay on the bus(s) or van(s) and circle back when the whole group is ready.

Arrival Space: We have a very small drop off zone, and we must ensure a smooth arrival process for the safety of all. There is no place to stop or gather or to put on wristbands. We cannot disembark guests safely and quickly if groups have stopped to put on wristbands, count heads, re-group, ask questions, or exchange info with bus drivers.

If you have chaperones driving separately please send their wristbands home ahead of time and include their carousel tickets, your group arrival time here at the Zoo, your Zoo departure time, your lunch plans, your inclement weather plans, along with a designated teacher’s name and cellular telephone number, just in case. Sorry, Zoo greeters cannot stop to answer questions from chaperones driving separately. Please ask your chaperones to arrive 10 to 15 minutes prior to when you need to meet them. That way everyone will arrive on time, and all will be ready to enter as a group when the buses or vans pull in.

Please review the Zoo Etiquette Guidelines with your group before you arrive at the Zoo.

Please review the Bus/Van Driver information. For the safety of all, when arriving and dropping off guests, it is very important that groups give each bus or van driver their own information sheet when they first pull up to your facility to load. This will give them the time they need to read the information before they arrive at the Zoo. Please exchange cellular telephone numbers with your driver(s) before you arrive at the Zoo. Please familiarize yourself with the bus information as well. Sorry, Zoo greeters cannot stop to answer questions about buses and parking.

WHEN YOU ARRIVE AT THE ZOO

All Bus and Van Drivers must follow the yellow bus signs and the white arrows on the ground to the bus drop off / pick up area. This is the only area to be used to disembark. Please do not let buses stop in the middle of the roads to let people off or disembark the children. Buses and vans must circle around and drop off “curbside” only.

- Please follow the directions of the greeters.
 - Please do not disembark until instructed to do so by the Zoo greeters.
 - If the Zoo greeters ask your bus or van to “wait” or to “hold” in place, please be patient and wait and hold in place.
-
- The chaperone in charge should be the first one off the bus to give the orange check-in pass to the Zoo greeter.
 - If everyone has their wristbands on, your Zoo greeter will direct you on how to proceed and where to enter and everyone in the group will need to show a wristband to gain entry.
 - Once you disembark, please keep moving. Do not stop in the bus drop off area to count heads or give instructions or break down into smaller groups.
 - Please proceed inside where you can re-group at the “Globe” or adjacent Polygon area.
 - Groups who want to have their snack should proceed directly to the Picnic Grove. Please do not stop to eat at the entrance.

BUS & VAN DRIVERS

When drivers first enter from Noble Avenue, they should drive slowly up the hill and follow the yellow BUS signs and the white ground arrows to our drop off / pick up area. The signs will circle you around to drop off “curbside” only.

- Do not pull up to the front of the Zoo to unload.
- Do not stop in the middle of the road to let anybody off the bus(s) or van(s).
- Do not disembark anyone in the middle of the road.

Please follow the instructions given by the Zoo greeters in the orange safety vests. If the greeters tell you to wait, please wait. If they ask you to pull up, please pull up. If they ask you to turn off your engines, please turn off your engines. The Chaperone in charge with the orange check-in pass should be the first one off the bus and no one else should disembark until instructed to do so by the Zoo greeters.

Please do not take it upon yourselves to load or unload the children in the way back parking lot area. Walking past poison ivy, pricker bushes, hot bus mufflers and moving cars is just plain dangerous. Please wait to pull up as instructed by the Zoo greeters. Unloading can take several minutes. Please be patient. Safety first! The Zoo greeters are the best ones to gauge the arrival situation when buses pull in. Please follow their lead.

To Park a Bus

Exit the Zoo using the driveway on your far right and turn right into the city park, called Beardsley Park. Proceed straight for approximately 1,000 feet until you see our overflow lot on your right. This lot has recycling bins, wood chip piles and leaf piles in it. You may park in that lot and please lock your bus! Please do not tell guests to leave personal items on the bus unless you are remaining behind on the bus the whole time.

To Exit the Bus lot and return to the Zoo

Turn right out of the lot. At the first one-way street (playground) turn right. Go up the hill, (playground) turn right. Road will lead you out of the park. Turn right onto East Main St. At traffic light, turn right onto Noble Ave. At the first stop sign, turn right into Beardsley Park. Drive up the hill and return to the drop off / pick up zone.

BUS & VAN DRIVERS

SPECIAL NOTE: WHEELCHAIR BUSES should check in with the Zoo greeters before they start to unload. Sometimes it is better for them to unload on level ground at the front of the Zoo rather than push wheelchairs up a hill or ramp.

FAILURE TO COOPERATE with the Zoo greeters and all bad driving incidents will be reported to your bus company.

EXCAHNGE PHONE NUMBERS: We suggest you exchange cellular telephone numbers with the Chaperone in charge. Please confirm your pickup time. Please adhere to that time. Please do not return early, it only creates traffic jams.

PARKING: The Zoo's parking lot is NOT zoned for bus parking. All buses, regardless of size, must park in the bus parking lot down inside the city park. Sorry, there are no exceptions. If you, the driver, are employed as a staff member by the group's facility, you will need to get a wristband from your group for your admission.

ADMISSION: If you are an outside contracted bus driver, you are not charged admission however, there is an admission fee if you bring in children, relatives, or guests. All tickets must be purchased online before entering the zoo.

VAN DRIVERS: should drop off their guests first and then park their vans. Passenger Vans may park in the Zoo's regular car lot only if they do not stick out or take up more than one parking space.

HANDICAP: Only vehicles with handicap placards may park in the handicap parking spots, sorry, no exceptions.

Disclaimer: The above-mentioned re-scheduling does not apply to groups that have pre-ordered, paid-for lunches.
